A Note from the Teachers:

Our goal is to provide the best possible experience, care, and love to your little ones while they are with us! We intent on providing every child with learning opportunities while also striving to meet every child's individual and unique needs. The below learning activities will offer your child the opportunity to engage in new experiences, explore their senses and the world around them, and develop new skills and abilities!

<p style="text-align: center;">Social & Emotional Development</p>	<p>Goals: Development of emotional self awareness and exploring relationships with other children.</p> <p>Integration: Practice our facial expressions and emotions & learn our friends' names. Give high fives and blow kisses to our new friends when we say their names</p>
<p style="text-align: center;">Physical & Motor Development</p>	<p>Goals: Gross motor development through large muscle stability, balance, and hand-eye coordination.</p> <p>Integration: Building blocks with soft and extra large blocks & bouncy ball time — practice our throwing!</p> <p>Goals: Fine motor development through small muscle coordination</p> <p>Integration: All of our arts and crafts Monday— Friday! 😊</p>
<p style="text-align: center;">Cognitive Development</p>	<p>Goals: Memory & looking for hidden objects</p> <p>Integration: Integration: Playing "hide & seek" , peek-a-boo , and "what's under the blanket?" game.</p>
<p style="text-align: center;">Language Development & Communication</p>	<p>Goals: Emergent literacy exploration and learning communicating and speaking through sounds, gestures, and pictures.</p> <p>Integration: Teacher-lead story time— engage children in pictures of <u>food and mealttime routines</u>— encourage baby sign. And engage children in pictures of animals and their noises. ALSO, practice our "Oh no!" shouts when the lemonade spills in our book of the week!!</p> <p>Integration: practicing our friends' names!</p>
